Primary & Nursery School

Learning Together and Having Fun

“Creating aspiration and enabling achievement”

Information for parents

Miss Jones, Mrs Khan, Mrs Ingham,
Mrs Dance and Mrs Herring

Dear Parent/Carer

This letter is to inform you of what your child will be learning this half term through a range of questions that they should be able to answer by the end of the academic year. We have provided the answers for you as well.

Mathematics - Decimals/Negative numbers/Converting units/Volume

1. **Add these two decimal numbers together:** $1.32 + 0.457 = 1.777$
2. **Can you order these numbers in ascending order -4, 3, 4, -1, 0?** -4, -1, 0, 3, 4
3. **What are units of measurement?** Relate to measuring length, mass and capacity; can be metric or imperial measures
4. **What units of time are there?** Years, months, weeks, days, hours, minutes, seconds
5. **What is volume?** the amount of solid space something takes up

English - Fictional Autobiography/Diamante Poem/Newspaper Report

1. **What is an autobiography?** It is someone recounting (retelling) their life story
2. **What do we mean by a 'fictional' autobiography?** An autobiography that is written by a fictional (made up) character; pupils will write 'An autobiography of a Superhero'
3. **What genre is a newspaper report?** Newspaper reports are another type of recount (non-fiction text) written in the 3rd person
4. **What is the difference between reported and direct speech?** Reported speech is what someone has said (Mr. Smith said that the accident had been horrific). Direct speech used inverted commas and are the actual words someone has said, e.g. "It was horrific!" exclaimed Mr. Smith. **What is a diamante poem?** A diamante is an unrhymed seven-line poem. The beginning and ending lines are shortest and the middle are longer

Science - Human Life Cycle

1. **Name the stages of the human life cycle.** Fertilisation, prenatal, infancy, childhood, adolescence, early adulthood, middle adulthood, old age.
2. **What is a gestation period?** Gestation is the period of development during the carrying of an embryo, and later foetus, inside viviparous animals
3. **Name 2 ways that babies grow.** Taller/length, weight – various other answers (teeth, hair etc.)
