

Park Lane Primary & Nursery School

Executive Head: Rob Litten **Deputy Executive Head:** Rachel Bains

October 2024

Dear Parent/Carer,

Year 6 Residential Visit to York 2025

For 2025 we are planning a Year 6 residential visit to York for 3 days. A provisional booking has been made between Wednesday 9th July and Friday 11th July. We hope to also have some other local activities set up for the Monday and Tuesday of this week.

During the trip, pupils will be given the opportunity to participate in a wide range of activities that we simply cannot offer within the school environment. These include a trip to Jorvik Viking Centre and Dig, the National Railway Museum, York Castle and Minster, a York chocolate experience, creating shields, long ships, siege engines and cooking Viking bread. When visiting the attractions, we will also be given the opportunity to take part in a range of exciting and interesting workshops, which are not available to the general public. The trip will also build in many opportunities for pupils to develop their communication and team building skills.

The provisional cost of the trip is estimated to be a maximum of £210. This covers the accommodation and full board at the centre, coach travel to and from York, all the activities, organisational costs and full insurance.

An initial non-refundable deposit of £50.00 to secure the booking will need to be made by Friday 8th November 2024. Further instalments of £40.00 will be due by 1st December and two instalments of £60 will be due by 28th March and 24th May.

Payments need to be made through the school payment system at www.schoolgateway.com or via the app If you are unable to pay online, you can collect a Pay Point Voucher from the office and pay in cash at a local PayPoint in town (Nisa Victory Avenue, Whittlesey Co-op or Delph petrol station).

If you would like your child to participate in this visit, please complete the slip below and return it to school by Friday 8th November. If the trip satisfies the Governors charging policy and is financially viable, the deposit will then be paid to the YHA company. At that point the deposit becomes non-returnable.

Yours sincerely, Savan Gregory	PW	Yngham.
